Reason #1 to hire a professional organizer: **Experience!** Professional Organizers work with all kinds of people who have all kinds of organizing challenges. Likely they have seen your situation before and have solutions at-hand. Reduce your stress and get help from an expert.

Reason #2 to hire a professional organizer: **No Judgment!** A professional organizer worth their salt will not judge you or your mess. Quite the opposite - they want to help you. They care about people's struggles to get and stay organized and will bring their experience and knowledge about organizing to each client.

Reason #3 to hire a professional organizer: **our Code of Ethics.** NAPO organizers follow a code of ethics. Our first code is, *"I will serve my clients with integrity, competence, and objectivity, and will treat them with respect and courtesy."* Now who doesn't want to work with someone who shows respect and courtesy?

Reason #4 to hire a professional organizer: **Fresh Perspective!** A professional organizer will look at your situation with new eyes, seeing it from a different view point. They will be able to bring understanding and creative solutions to your organizing challenges.

Reason # 5 to hire a professional organizer: **Buddy System!** A professional organizer will work with you, guiding you, and figuratively holding your hand through the mess to a new, organized life. They will stick with you.

Reason #6 to hire a professional organizer: **they LOVE to organize!** Professional organizers just love to organize. They straighten, neaten, and organize without even thinking about it. Everywhere they go, they leave behind a neater place. Harness that energy and talent to work for you.

Reason #7 to hire a Professional Organizer: **Strong Listening Skills!** Organizers want to help others get organized. One way to learn how best to help is to LISTEN! A professional organizer practices listening to her clients so she understands what's really going on and how to get to the root of the organizing problem.

Reason #8 to hire a Professional Organizer: **Teach and Transfer.** Organizers don't just organize - they teach clients the know-how of organizing and do their best to transfer good organizing skills to others.

Reason #9 to hire a Professional Organizer: **Compassion!** Many organizers have been there. Now they want to help others break free from the chaos. They see the distress and strain that disorganization can cause a person or a family. They walk alongside their clients through the getting-organized process.

Reason #10 to hire a Professional Organizer: **Break Down Overwhelm.** Clutter is overwhelming. Deciding where to even get started can be overwhelming. A professional organizer knows where to start. She guides her clients every step of the way, taking it one pile or mess at a time.

Reason #11 to hire a Professional Organizer: **Encouragement!** A professional organizer will not only help get you organized, they will encourage you in your journey to be a more organized person. They can provide the needed support as you learn new ways of doing things.

Reason #12 to hire a Professional Organizer: **Education.** A good professional organizer is always learning; learning about organizing tools and products, new systems, and schools of thought about the how's and why's behind organizing habits. This education, combined with experience and compassion, is what a professional organizer will bring to each client. And that is value beyond measure.
